

IIAS Study Centre – Examination & Academic Guidelines

- Study centres must maintain complete student data and attendance registers.
- IIAS Examination Committee may refer Study Centre Director, Faculty, or other authorized personnel appointed by the Study Centre.
- Study centres are responsible for conducting both Theory and Practical examinations for students.
- Grades will be awarded based on combined performance in Theory and Practical examinations.

Grade Distribution System

Marks Percentage	Grade
75% and Above	A+
65% to 74%	A
55% to 64%	B
45% to 54%	C

Syllabus & Course Naming Policy

IIAS provides standard guidelines to frame syllabus structure and course names. However, Study Centres have the flexibility to modify syllabus content and course names according to their business requirements, market needs, and academic strategy, while maintaining overall academic integrity.
